## An Investment That Really Matters

Are you interested in investments that produce eternal increase for you and those who come to Jesus through your generosity? If so, you will want to know about Jesus' "Church-Centric Missions" strategy in our Day.

Here's the deal. You will remember that in Matthew 16:18 Jesus said, "I will build My Church and the gates of hell will not prevail against it." Well, ever since then He has been building His Church, the worldwide Body of Christ that includes all who have trusted Him as Savior and Lord.

Jesus, of course, works through various strategies at different times. Do you think He had anything to do with imparting the concept of the printing press to Johannes Gutenberg in 1436? Of *course* He did and it changed the Church. Do you remember the Reformation, and the Anabaptist Reformation? Yep, that was also Jesus at work building His Church.

And what about America's thousands of "sent" missionaries over the past 200+ years? Was that Jesus at work or was it just us? And then He orchestrated the 1974 Lausanne Congress which greatly accelerated the rate of sending missionaries.

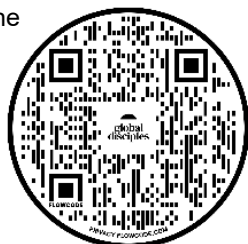

So, because of the faithfulness of all these servants of God through the centuries, Jesus' Matthew 16:18 Church is now present with qualified and trustworthy leaders in every region of the world! And now today, He is calling *them* to reach the unreached and least-reached people groups (tribes) in their region! That makes a lot of sense, doesn't it!

We call that "Church-Centric Missions" because it centers around the Church that Jesus has been building for 2,000 years! They are dedicated to the task but are asking for training, and we can help.

**Global Disciples**, of Lancaster PA is an interdenominational ministry with Anabaptist roots and culture. Global trains leaders in networks of churches in 71 countries, in how to train *their* people to take the Gospel to near-culture people groups. They represent us, in obeying Jesus' Mt. 28:18-20 command to take the Gospel to all the nations.
